BUILDING 4 PEOPLE: MAPPING THE UNIVERSE OF BETTER BUILDINGS

WELL-BEING
- Higher satisfaction with the job
- Reduced stress
- Increased focus and creativity
- Social equity
- Improved quality of life
- Better sleep

HEALTH
- Faster recovery from illness
- Up to 19% decreased mortality rate
- 21% lower medication costs
- Average time spent in hospitals reduced by 1 day
- Fewer cases of respiratory illnesses

MISSING EVIDENCE
- Holistic
- European centric
- Applied
- Renovation cases
- Longitudinal

PRODUCTIVITY
- 2 weeks faster learning per year
- Performance gain per employee of 12%
- Employee turnover reduced by up to 20%
- 11-23% fewer sick days
- 12% fewer cases of respiratory illnesses
